# Sand Boats

**Sand Boats want  
to take a Walk**

They are waiting their time to go.  
When the time arrives the boats  
will leave until they disappear.

Sand and soil have a story behind,  
they came from same the place. But  
now they are leaving again. They  
are refusing to stay still.

# they, Sand Boats

Once it was soil and Sand,  
then their name became  
“Land”. Land was divided  
into parcels, now they be-  
long to someone.

A Sand Land

? Wishes?

Their Sand taken from somewhere in Rotterdam, a dozen of Sand Boats decide to take a walk.

They start to walk towards the water and keep going until they are gone. Gone so that they are free.

# how to, Sand Boats

They can now swim if they want to and maybe even find a new home. Finally, Being Fre e

Boats love water just as sand do. Water, home to both, bring them together under its roof.

When in water, Boats will dissolve sooner or later, leaving a mark as they do.

**“Maybe Boats  
just love water.”**

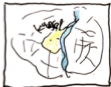

# a visit to Kassel

a bunch of Sand arrived from Rotterdam, We are taking a walk in the city, together.

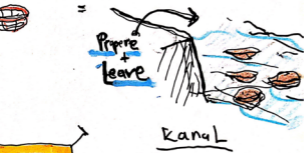

Take a bunch of Sand from Rotterdam take it out for a walk in Kassel. When you find the right place, just build a dozen boats and leave them in Fulda River.

“Take the Boats for a walk”

“Boats love water just as sand do.”
